*** Request for Web Design Proposals ***

Do you have expertise in database and website design? We'd like to hear from you!

As part of the Pen Collectors of America's continuing efforts to be both more helpful to members as well as a greater service to the community at large, we are undertaking a significant effort to provide greater functionality to our website. To this end, we would like to invite anyone with technical background in web development to respond to the PCA's RFP. If you know of someone -- even if they aren't involved in the hobby -- who might be interested in this opportunity, please do forward them this information.

You can download the RFP and Application from the home page of our website:

<http://www.pencollectors.com/>

We would like your letter of interest by July 18. The finalized application and proposal should be received by the PCA by August 22. Email PCA Board Member, Linda Bauer, lbauer@prairienet.org.

Thanks,
Linda Bauer
